SUPERVISOR BOWEN INVITES PUBLIC TO CELEBRATE NEW CHAPTER AT MOODY PARK **Event Happening Today**

Supervisor David Bowen is excited to announce the beginning of a new chapter in the storied history of Moody Park. Plans involve renewing and re-energizing the green space in the park.

"I invite the public to join us as we celebrate with the immediate community around Moody Park and spark a new era of high quality green space to all on Milwaukee's north side," Supervisor Bowen said. "Moody Park and the Amani neighborhood is one of the most distressed in our community lacking resources to adequately address economic and social conditions.

"I have been dedicated and will always continue to work for this hard-working and loving community that deserves better. As the current representative of County Government that pushed to get us to where we are today, this is a win-win investing \$2.5 Million in this neighborhood that desperately needs it."

"Moody Pool has been closed for 10 years and the new process since the 2013 Budget deliberations has taken almost two years. No more waiting; this time we are building!"
